Dear Friend,

Health care reform remains at the forefront of the national debate as Members of Congress return home for the district work period. The task before Congress requires a lot of heavy lifting and it is vital that we invest time to properly address the complex issue of fixing health care. I believe nothing should come between you and your doctor. Bureaucrats in Washington should not be making medical decisions for you and your family. I am eager to hear what you have to say as I return home to Gold River.

In light of the many calls, e-mails, and letters I have received from you regarding health care reform, I want to continue our discussion so that I can be better equipped when I return to Washington to participate in the debate surrounding health care reform.

Therefore, I will be hosting three traditional town hall meetings during the month that will focus primarily on health care. I hope you will be able to join at least one of these meetings. The details are as follows:

Tuesday, August 18th 7:00-8:30pm
Citrus Heights

City Council Chambers
7117 Greenback Lane
Citrus Heights, CA 95621

Saturday, August 22nd 10:30- 12noon
Jackson

Civic Center
33 Broadway
Jackson, CA 95642

Wednesday, August 26th 7:00-8:30pm
Rancho Cordova

American River Room
2729 Prospect Park Drive
Rancho Cordova, CA 95670
